

## Receive

The player on your right picks a handful of blocks. Those are your blocks for this turn.

#bloqprty

## Add Only

Only add blocks to your creation. Once in place, the block cannot be removed.

#bloqprty

## Copy

The host has two minutes to build. Everyone else then attempts to copy the host.

#bloqprty

## Colorful

Only use blocks of different colors.

#bloqprty

## Count Colors

Every color must be used the same number of times.

#bloqprty

## Handful

Take a handful of blocks at random. Those are your blocks for this turn.

#bloqprty

## Roll

Roll three dice at the beginning of each turn. Only add that many blocks to your creation.

#bloqprty

## Monochrome

Only use blocks of identical color.

#bloqprty

## Size

Only use blocks of identical size.

#bloqprty

## Scene

Finished creations will be placed next to each other to create a scene.

#bloqprty

## Individual

At the beginning of each round, every player starts a separate creation.

#bloqprty

## Pass Left

After your turn, pass your creation to the player or teammate on your left. Do this for 3 turns.

#bloqprty

## Share

Combine your creations into a shared creation at the end of the round.
